		<div style="border: 1px solid #ccc; padding: 5px; margin-left: 150px;">Access Webmail Configure Calendar and Contacts Client</div>		

4. Once done, you will see the icons of the three webmail interfaces:

Webmail SUPPORT@NCTEST.INFO

Choose a Default Webmail Application

5. Feel free to choose any access webmail.

Horde webmail interface:

The screenshot displays the Horde webmail interface. At the top, the 'Webmail' logo is on the left, and the user's email address 'SUPPORT@NCTEST.INFO' and a 'LOGOUT' button are on the right. Below this is a navigation bar with 'horde Groupware 5.2.6' and menu items for 'Mail', 'Calendar', 'Address Book', 'Tasks', 'Notes', and 'Others'. A date '11/06/2016' is shown on the left, and 'Inbox' is selected in the top right. A search bar contains the text 'Search (Entire Message)'. The left sidebar features a 'New Message' button and a list of folders: 'Inbox', 'Drafts', 'Sent', 'Folder Actions', 'Junk', 'Trash', and 'Virtual Folders'. The main content area has a 'Refresh' button and a table header with columns for 'From', 'Subject', 'Date', and 'Size'. The table is empty, with a message icon and the text 'There are no messages in this mailbox.' displayed. Below the table, another message icon and the text 'No messages selected.' are visible.

Roundcube webmail interface:

The screenshot displays the Roundcube webmail interface. At the top, the "Webmail" logo is on the left, and the user's email address "SUPPORT@NCTEST.INFO" and a "LOGOUT" button are on the right. Below this, the "roundcube" logo is on the left, and navigation links for "Mail", "Address Book", and "Settings" are on the right. A toolbar contains icons for "Refresh", "Compose", "Reply", "Reply all", "Forward", "Delete", "Mark", and "More". A search bar is positioned to the right of the toolbar, currently showing "All" and a search icon. On the left side, a sidebar lists folders: "Inbox", "Drafts", "Sent", "Junk", and "Trash". The main area shows a table with columns for "Subject", "From", "Date", and "Size". The table is currently empty. At the bottom, a status bar shows "Mailbox is empty" and includes controls for "Select" and "Threads", along with navigation arrows.

SquirrelMail webmail interface:

The screenshot displays the SquirrelMail webmail interface. At the top, there is a dark header bar with the "Webmail" logo on the left, a user profile icon and the email address "SUPPORT@NCTEST.INFO" in the center, and a "LOGOUT" button on the right. Below the header, the left sidebar is titled "Folders" and shows a list of folders: INBOX, Drafts, Sent, Trash, and Junk. The main content area is titled "Current Folder: INBOX" and contains a message "THIS FOLDER IS EMPTY" centered within a rectangular box. Navigation links for "Compose", "Addresses", "Folders", "Options", "Search", and "Help" are visible below the folder title.

6. You can also access webmail directly in the browser using one of the following links:

<https://yourdomain.com:2096>

<https://yourdomain.com/webmail>

<http://webmail.yourdomain.com>

That's it!
